This form has been provided to you because we know you are maintaining bird feeders. Consider this your invitation to participate in our count.

Please provide identification details or images for species names shown in **bold**.

Report any species seen in your yard or flying over even though they didn't come to your feeders or other food sources (crab apples, etc.)

Any species not on the above list is something very unusual at feeders. We would appreciate images or identification details.

We also want to know any species that you observed 3 days before or 3 days after Count Day because these go on our count week list.

Three ways to Report:

Call Dave Lambeth at 701-330-1474

Send report by e-mail

Send this sheet to Dave Lambeth, 417 Terrace Drive, Grand Forks 58201

If you have any questions about identifying particular species, or think you have something really unusual, considering getting in touch with Dave before count day, or during count day when he can be reached at 701-330-1474.
